WE ARE CALLED TO BUILD THE KINGDOM OF GOD AS INDIVIDUALS AND AS A CHURCH.

This information guide will showcase the missionaries, ministries, & projects we are investing in this year. A corresponding trifold will highlight this year's plan & goals for a particular One Church campus.

If you are a Kingdom Builder, thank you for your ongoing generosity! If you are not yet a Kingdom Builder, join the team! Each monthly commitment or one-time gift makes a difference, regardless of the amount! Together, we are advancing the Kingdom of God in a phenomenal way...ordinary people doing something extraordinary as one.

Building Projects &
Facility Renovations

The first area of Kingdom Builders is **World Missions**. We are so blessed as a nation...and compared to most places around our world, we are blessed as individuals, as families, and as a church. With that blessing comes a sacred responsibility to take responsibility. We will never turn a blind eye to injustice, poverty, or the human condition for which we, the Church, can be a catalyst for change.

If our church were to disappear, beyond its attendees, would our community even notice? This question should hit every Christian between the eyes. God has placed each church in its community...in its neighborhood...to be a lighthouse. But even that's not enough...we must be Light that gets out of the House too. **Community Impact**, the second area of Kingdom Builders, has some amazing ministers, ministries, and projects that we will support locally.

As His Church advances, so does His Kingdom. This third area of Kingdom Builders, **Church Advancement**, represents our investment in the local church, including parenting/planting campuses, as well as in building projects to improve ministry environments. This area of Kingdom Builders also includes our development of leaders in the NorCal/Nevada District, the Central San Joaquin Section of the Assemblies of God, and it also supports missionaries in our region doing short-term projects for local churches.

THE EARTH"**

ACTS 1:8

WORLD MISSIONARIES

It is the main course in our strategic plan for world missions. Giving to different causes or projects is exciting, but without boots on the ground, there would be no one to steward the resources sent overseas. We support over 60 world missionaries every month! These heroes are some of the greatest people in the world. They have heard the call to go, and we have heard the call to send them. Singles, men and women...families with kids...senior adults...our missionaries answer the call at all stages of life, to lands unfamiliar, to places without the comforts of home, and in some cases to settings where their lives are in danger. They have stepped out in faith to go, and we will continually step out in faith to get them to where God has called them.

Amy Farley, Missionary to Southern Vietnam 

See a full list of missionaries on page 42

PROJECT RESCUE

Project Rescue began in 1997 when David & Beth Grant went to Falkland Road in the red-light district of Mumbai, India, with a passion to reach a young generation ensnared by drugs, gangs, and prostitution. Their ministry team was stunned to find an estimated 100,000 women and children living in sexual slavery, many of whom had been sold by their impoverished families from North India and Nepal. In this first encounter, over 100 women were challenged to new life in Jesus Christ. Today, Project Rescue is in nine countries around the world, including cities in Spain where One Church has a strong partnership. We are standing for women, children, and all those trapped in the bondage of sexual slavery.

INTERNATIONAL CHURCH OF ALICANTE

Alicante is an international city of 800,000 people in its metropolitan area, located on the southeast coast of Spain along the Mediterranean Sea. Tourism, along with industry, draws the residential population from all over with English as the binding language. One of the “foody” hot spots of Spain...great restaurants, coffee shops...wonderful gelato...and, of course, churros & chocolate. A modern resort city has grown around the quaint Old Town that nestles right up to the mountain fortress Santa Barbara Castle, which casts its shadow over the beach and sea beyond. Alicante has been a target for church planting for years. It’s also the location of the newest Project Rescue home in Spain for women & children. One Church has been exploring how God might be leading us in Spain for the last three years, with Project Rescue, One Hope, Assemblies of God World Missions, Chi Alpha, and Assemblies of God España all jumping to the conversation. We are excited to be a part of the launch of an international church with ministry alongside of these phenomenal organizations in the years to come!

ONE HOPE

OneHope began with a single Book of Hope in 1987. In the past thirty years, it has evolved into more than a dozen different mediums such as film, storytelling, and mobile apps. The Bible App for Kids (the #1 downloaded kids app in the world), the GodMan movie (translated into 72 languages and shown in over 71 countries), and Incredible Islands (an interactive church-based kids software) app are just some of their cutting-edge initiatives. OneHope partners with tens of thousands of local churches around the world so that children and youth can engage with Scripture and the Church can disciple the next generation. Today, more than a billion children and youth have received a relevant presentation of God's Word through the ministry of OneHope.

CONVOY OF HOPE

Convoy of Hope is a premier first-responder for disaster relief worldwide. Founder Hal Donaldson said that he started the organization because he was once shown what it means to love your neighbor as yourself. Convoy of Hope brings help and hope to the impoverished, hungry, and hurting people of the world. In 20 years, more than 79 million people have been served by Convoy of Hope. Their vision is to feed children in need, organize community outreaches, train women to start businesses, help farmers increase their yield in developing nations, provide immediate disaster relief, and to partner with like-minded organizations and rural churches.

SPEED THE LIGHT

Speed-the-Light [STL] is how the youth of One Church participate in Kingdom Builders. STL provides much-needed equipment to missionaries across the nation and in over 180 countries around the world. The concept is simple: we give so others can speed the light of the gospel to a world in darkness. This is accomplished by providing the “essential transportation and creative communication” equipment for missionary evangelism. Through modern transportation, radio, television, print, audio, and digital equipment, we are resourcing our missionaries as they make Jesus known.

BGMC

Boys & Girls Missionary Challenge [BGMC] is how the preschool, elementary, and preteens of One Church participate in Kingdom Builders. BGMC is the Assemblies of God missions program for children that instills a heart of compassion to reach the lost through praying, giving, and going. All funds raised through BGMC go to meet critical needs around the world, such as feeding programs, water wells, Bible schools, curriculum, and whatever else a missionary needs in his or her part of the world. Equally important, BGMC is a great way for parents to teach the heart of stewardship to their children.

CALCUTTA MERCY MINISTRIES

Sixty years ago, Mark and Huldah Buntain witnessed the poverty and suffering of Calcutta, India. Today, feeding programs, vocational schools, rescue homes for trafficked women and children, a school for the blind, and one of the best hospitals in all of India are just some of the incredible ministries of Calcutta Mercy.

ASSIST INTERNATIONAL

Assist International addresses the needs of the world's most vulnerable people, through the design and implementation of humanitarian programs. Areas of focus include global health, orphaned and vulnerable children, water systems, poverty solutions, and the distribution of food and household needs both locally and in the developing world.

KAIROS GLOBAL MISSIONS

Kairos Global Missions is sharing the power and love of Christ all over Africa. Our very own Anna Droll is the founder of this impactful ministry. Kairos continues to further the vision to build a rescue home for women in the country of Ghana.

GLOBAL PASSION

Global Passion is an organization that is making missionaries by coordinating short-term missions trips for groups and individuals to countries around the world. It started from a moment of prayer when God spoke to founder Steve Edwards and told him to take young people where tourists don't go and connects them with dynamic and powerful ministry.

"JUDEA &
SAMARIA"**

— ACTS 1:8

ADULT & TEEN CHALLENGE

For over 60 years, Adult & Teen Challenge has operated on a holistic model of drug and alcohol recovery. This means that we are concerned with the body, mind, and spirit of those who come to our addiction recovery centers. The vision of Teen Challenge is to see all people freed from addiction through the power of Jesus Christ! Addiction starts as a way to fulfill a void that only God can fill, so a strong relationship with the Lord is foundational to our program. This foundation is built in our students by teaching them the Bible and by encouraging them to bond with other growing disciples. There are over 200 Adult & Teen Challenge residential programs throughout the United States. Specifically, One Church supports Adult & Teen Challenge in Turlock, California, which is making a difference right here in the Central Valley!

WITHOUT PERMISSION

What if we told you that sexual slavery is happening, not just off in distant and dark places around the world, but right here in Stanislaus and San Joaquin counties? Our cities. Our neighborhoods. Our girls. Without Permission exists to mobilize the church and community in the human-trafficking battle, bringing awareness and education to the Central Valley. Founder Debbie Johnson and Without Permission serve the justice system agencies, education systems, and other service providers as they attempt to identify and/or rescue sex trafficking victims. When a survivor is identified, Without Permission is ready to begin the process of restoration in the life of a victim.

CHI ALPHA

Chi Alpha Christian Fellowship is a network of Christian ministries on university campuses whose mission is to reconcile students to Christ and equip them through Spirit-filled communities of prayer, worship, fellowship, and discipleship. Their mission is to transform the university, the marketplace, and the world. Through Chi Alpha, students come together to grow in the Lord and share the hope of Christ. We have a strong partnership with Central Valley Chi Alpha with ministry on the Stan State and Modesto Junior College campuses.

MODESTO CHRISTIAN SCHOOL

The mission of Modesto Christian is to develop Christ-centered leaders through excellence in academics, athletics, and the arts. Located on thirty-five acres at the edge of Northwest Modesto and Salida, Modesto Christian is uniquely positioned to impact our valley. Established in 1962, Modesto Christian has continued to strive to provide an education with a biblical worldview. With this mission in mind, One Church is excited for this partnership.

COMMUNITY OUTREACH

One Church is a family of people with a heart to transform our community. Every year, our goal is to have such an impact in our different communities, that if our church was to be removed, people would notice. From events such as Trunk or Treat, Financial Peace University, marriage and family enrichment, One Church Christmas, and more, we believe in reaching outside the four walls of our building to make a difference for the Kingdom of God.

GLOBAL LEADERSHIP SUMMIT

For years, we have been praying for opportunities where the church can get out into the community and share biblical perspective to normal, everyday people. One Church brings the Global Leadership Summit to the greater Modesto area to help train, resource and equip people in how to use their influence in a godly way. When a leader gets better... businesses get better, marriages get better, families get better, communities get better... everything gets better. Leadership is influence. We believe everyone is a person of influence and can grow as a leader.

LOVE OUR CITIES

Love Our Cities began out of the need & desire to engage with and invest in our local community. At these community-wide serve days, people engage in a variety of projects, including: appreciating public servants, visiting convalescent homes, donating blood, building a house with Habitat for Humanity, working in city parks and schools, and other opportunities. So many amazing stories have emerged from Love Our Cities, but perhaps the greatest stories are of the thousands who continue to volunteer regularly throughout the year. This is our hope and prayer— renewed pride in our cities, ongoing volunteerism and communities transformed.

CITY MINISTRIES NETWORK

City Ministries Network has purposed to be a catalyst for inspiring local leaders, connecting and mobilizing people to do good work to transform Modesto and the surrounding cities. The network creates space for multi-sector leaders to relationally connect, learn, and grow.

H-STREET MINISTRY

This ministry reaches out to those in need in our community in tangible ways. Located in downtown Modesto, through the help of volunteers and city-wide donations, their facility on H-Street weekly ministers to the under-resourced with hot meals, groceries, and a gospel presentation of the hope of Jesus.

ACTS 1:8

WE LOVE

Los Angeles

CHURCH MULTIPLICATION

We are a church that parents and plants leaders and campuses. We have seen an incredible harvest from the vision to multiply the ministry that is happening at One Church. We try to always be ready when a church plant calls. We also continue to invest in our current campuses, as we prepare to invest in future locations and leaders. We also are passionate about investing in other church planters to further the Kingdom of God. This year, our support will include David and Randall Araujo, former team members at One Church, as they launch a church in the city of Los Angeles called “The Heart LA”.

BUILDING PASTORS

One Church believes in building up pastors. Our goal is to develop ministers, not only in our church, but throughout the Assemblies of God as well. By supporting a program called One Fund, we are able to empower and equip future ministers, pastors, teachers, and missionaries, not only in the San Joaquin Section, but also in the Northern California and Nevada District. Our desire is to have a healthy and thriving church in every community in America. This is possible, due to our efforts in supporting local pastors.

NEXT GENERATION LEADERS

We are a church that invests in the next generation of leaders for the church and marketplace! God has given us this charge as much as any other. Who are the future pastors, worship leaders, and graphic designers? Who are the future missionaries and church planters? Who are the future volunteer leaders and board members, making an incredible difference as teachers, business owners, and first responders? What are we doing to prepare them and send them out? The One Church School of Leadership exists to equip and empower Christians for service in the world and to the mission of Jesus Christ. Through our partnership with Nor-Cal Southeastern University, our School of Leadership students get an amazing blend of accredited education and hands-on ministry training.

JESUS

BUILDING PROJECTS & FACILITY RENOVATIONS

We believe that if the local church is healthy and growing, then our capacity to do more throughout our world and community increases. One Church, at each site, has proven that each year. Through the improvement of the building and ministry areas of our church, we increase the platform for all generations to connect, grow, and make a difference. How do we choose projects? We ask the question, “What projects will ultimately help us to greater disciple, with a priority for an evangelistic return on investment?” We do not do this for comfort, for bigger, better buildings, or to feel good about ourselves...but for the purpose of making a space for those who do not yet know the hope of Christ. We renovate so He can resonate.

ALL PROJECTS WE SUPPORT

Assist International – Humanitarian programs that build, develop, and save

Baja House – Building a home in Baja, Mexico

Beans, Rice, & Jesus Christ – Park Ministry, Feeding the homeless of Modesto

BGMC – Our kids helping to raise money for missions

Calcutta Mercy Ministries – Feed, educate, & medically assist the poor of India

Central San Joaquin Section – Supporting local churches and their pastors

Chi Alpha Central Valley – Network of Christian ministries on university campuses to bring students to Jesus

Chi Alpha UC Davis – Network of Christian Ministries on the UC Davis Campus

City Ministries Network – Collaborative relationships throughout the Central Valley

Cleansing Hope Shower Shuttle – Seek to restore hope and dignity by providing hot showers and hygiene kits

Convoy of Hope – Humanitarian relief for poverty, disease, & hunger

Don Whitney Ministries – Being instruments of God's love by equipping the saints for the work of the ministry

Family Promise – Temporary food and housing relief

Global Passion – Making missionaries of the next generation

H-Street Ministry – Outreach to the under-resourced with hot meals & groceries

Interfaith Ministries – Local outreach feeding and clothing the poor

International Church of Alicante – The launching of an international church in a thriving Spanish city in partnership with Project Rescue, Assemblies of God World Missions, Global Passion, and OneHope

Jabulani Children's Home Alan Graham – Hope for kids in Africa

Kairos Global Ministries – Bringing relief to women and children in West Africa

Love Our Cities – Reaching the Valley & beyond through service & outreach

MAPS – Coordinating volunteer workers to assist churches with building projects

Men's Missions Light for the Lost – Helps share the gospel worldwide by providing evangelistic resources for missionaries and missionary partners

Modesto Christian School – Developing Christ-centered leaders through academics, athletics, and the arts

Modesto Gospel Mission – A place of refuge, recovery, and restoration for poor & homeless men, women, and children

Modesto Pregnancy Center – Protecting the unborn, promoting healthy pregnancies and relationships, addressing post-abortion trauma

Northern California/Nevada District Ministries – Building pastors in our region through the Assemblies of God

One Hope – God's Word. Every Child.

Project Rescue – Fighting human trafficking in Spain and around the world

Refuge Church – Supporting an established International Church in Grenoble, France

Renovo Counseling – Counseling for ministers and missionaries

Send the Light – Orphanage in the Philippines

Speed-the-Light (STL) – Provides equipment for missionaries around the world

Student Reach – Coaching & mentoring, school assemblies, and anti-bullying

Teen Challenge – Hope for a new drug-free future through the power of Jesus for recovering addicts and at-risk youth

Triple H Youth Ranch – Using horses to help & mentor hurting people

Truth Ministries – Exists to proclaim the truth that brings healing and liberty

Without Permission – Rescuing victims of sex trafficking

Women's Missions, WM's – Equipping spirit-empowered leaders everyday

HOW DO WE RESPOND?

IF YOU ARE A KINGDOM BUILDER ALREADY

THANK YOU for your ongoing investment in the people and projects you've just read about! As the Lord blesses you, and as the Spirit leads, consider increasing your giving over time so that more can be done to advance the Kingdom.

IF YOU ARE **NOT YET** A KINGDOM BUILDER

First of all, thanks for reading this information guide! Secondly, consider joining the Kingdom Builder team today!

HERE'S HOW

Locate a Kingdom Builder's commitment card (they can be found many places, such as in the seat-back pockets, at the KB Wall, and at The Hub). Follow the steps found there. The KB commitment card also alludes to some FAQs (Frequently Asked Questions) people have regarding biblical stewardship and tithing, and how Kingdom Builders fits with that. All this information can be found on our website at onechurch.com/kingdombuilders. You can also find it on the **One Church App** under "Give."

We realize that some may have questions as they prayerfully make a decision to give the resources that God has entrusted to them. At One Church, we want there to be great accountability and transparency in financial matters. If the online forums do not answer your questions, please do not hesitate to speak to one of the campus pastors.
